Monkey remained calm, “Sooner or later, I'll prove it to you.”

Dear Linda,

I'm sorry to hear that you'll stay at home and have lessons online. Here is some of my advice for you.

Listen to the teachers carefully and take some notes. Then you can find something you might have trouble with it. If you have some problems with them, you can ask your teacher for help online at once. It certainly helps you a lot with your lessons. Also, you must finish your homework on time and send it to your teachers. Then they can check it in time. What's more, you need to take enough exercise at home to keep healthy. After all, you can't go out to play sports. And you also need to take enough rest to protect your eyes. It's really the most important part of your lessons.

I hope these can help you. With my best wishes!

Yours,  
Li Hua
